### Latest Foreign News.

London, March 22.—The condition of Queen Victoria's limb, which was injured by her fall Saturday last, continues quite satisfactory. Her Majesty keeps her room, in accordance with the advice of her physicians not to move about, and the swelling in the knee is subsiding, and it is hoped by the physicians in attendance that it will disappear entirely in a few days. There has at no time been any ground for the excitement over the matter, which seems to have been created in New York, and which has not prevailed here. The matter creates very little comment in London.

New York, March 26.—The steamer from Panama, with dates of the 17th, brings the following news: The condition of affairs in Peru continues unaltered, but as the Chileans have released several of their more important prisoners, the latter have returned to Peru to advocate the establishment of peace. The prospects of action in this respect continue to improve.

Much alarm is felt in Guayaquil, and all citizens unite in denouncing the Dictator. Rioting is prevented solely by the presence of the Italian and English men-of-war. The revolutionary troops will enter the city without a struggle. The latest intelligence is that they were close in the vicinity. Public opinion is strongly pronounced against the Dictator, who declared that he will hold out all hazards, even if the destruction of the town should follow.

Odessa, March 27.—A Socialistic manifesto is in circulation in the Southern part of Russia inviting people to avail themselves of the coming fete of the coronation of the Czar to pillage the houses of the nobles and the Jews. A deputation of nobles has gone to St. Petersburg to ask Count Tolster, Minister of the Interior, to provide for the protection of their property.

Washington, March 24.—A party of gentlemen have just returned from New York and Cleveland, respectively, having gone to these two cities at an appointed (Continued on page 4.)

### THE EVILS OF PAINTING And their Remedy.

"It has been said with much truth,  
too, that house painting might, with  
study and acquirement of taste, resume  
its rank as a liberal art."—Painters'  
Manual.  
Believing the above to be true, A. B.  
KERR has now re-organized his system  
of working the business in Honolulu.  
In the first place he has secured the ser-  
vices of that celebrated artist, Mr. Max  
Kohn, formerly of San Francisco, whose  
work in the line of plain and decorative  
paper-hanging, frescoing, &c., is up to  
the present time unsurpassed, and on  
these Islands has never been equalled.  
For house painting jobs first-class me-  
chanics only will be employed. In  
future patrons can depend upon my fill-  
ing every order on the most scientific  
basis known to the trade.  
The Sign Painting and Lettering de-  
partment will be permanently presided  
over by Mr. GEO. STRATMEYER, (further  
comment unnecessary.)  
P.S.—Send for designs of frescos for  
ceiling and cornices. Something new;  
and if you want any glass put in call at  
"Tiger" Paint Store,  
247 1y 78 King Street.
